resort to mandatory MRI Scan for determiming age of sportspersons in under-17 and other similar competitions;

(b) whether any opposition has been expressed in this regard;

(c) whether Government organizations holding similar events are also thinking on these lines; and

(d) if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF YOUTH AFFAIRS AND SPORTS (DR. M.S GILL): (a) to (d) Whenever there is a dispute or complaint, regarding any player being over-age, the federation concerned decides on the manner, in which the dispute is to be settled. While some federations, rely upon documentary evidence, such as birth certificate, school certificate or passport, some others rely on medical examination, which may include MRI Scan. However, MRI Scan is not mandatory to determine the age of a sportsperson. Similarly, Government has not taken any decision to use MRI Scan for age verification in sports events organized by Government Organizations.
